Dear Sir/Madam--I expect that the email submission early today of our FOIA request (along with a request for fee waiver and expedited processing) has been marked as received. Please note that, in an abundance of caution, I tried several times today to submit the FOIA request on your online portal using internet explorer, but it did not accept the request.

Best,
Amrit Singh

Dear Sir/Madam—
Please find attached a FOIA request, submitted to HHS on behalf of the Open Society Justice Initiative, for records relating to the administration's response to COVID-19.
Best,
